Post-Graduate Student Status Programme (PGSSP)

IIIT-H is accepting applications for PGSSP (Monsoon Session) starting June 5, 2012.

Last date for applying for PGSSP Monsoon 2012 is 10 July 2012

The PGSS Programme (PGSSP) provides an opportunity for **professionals in the Hyderabad area** to benefit from the advanced courses offered at the institute. The post-graduate status can be accorded to a professional on the basis of his or her academic and experience record. Once someone is awarded the PG status, he or she can take a maximum of two courses at the institute every semester. This provides him or her with the opportunity to acquire new knowledge in chosen areas without committing to a formal programme. The courses taken under the PGSSP scheme can count towards a formal degree from the institute, should the student join one of the full-time or part-time programmes subsequently.

Eligibility

Admission to the PGSSP is based on the academic and professional record of the applicants. Sample qualifications include: a Bachelors or Master's degree in Engineering, MCA, or a Masters degree in Science/Mathematics. Professionals with 1 or more years of experience in software design and development may also apply.

Available Courses

PGSSP students are free to register for any course in the institute for which they satisfy the prerequisites. The recommended way is to contact the course instructor at the time of registration or before to know the expectations and workload of the course involved. The list of courses offered for Monsoon 2012 & the Time Table will be updated soon.
